

# MODERN PEST SERVICES NAMED ONE OF THE 10 BEST PEST CONTROL COMPANIES IN THE COUNTRY BY FORBES HOME AND THE SPRUCE

*Modern Pest Services recognized for Outstanding Customer Satisfaction and State of the Art Custom Tailored Residential and Commercial Pest Control Solutions*

BRUNSWICK, MAINE, USA, March 12, 2024 /EINPresswire.com/ -- Forbes released their list of [Top 10 Pest Control Companies](#) in the United States, and Modern Pest Services has earned a spot among industry leaders. Forbes highlighted Modern's eco-friendly SMART pest control technology, which is helping homes, businesses, and several cities in Maine and Massachusetts control rodents with 24/7 digital monitoring.

Modern Technician greeting a homeowner during a service call.

Furthermore, Forbes highlighted Modern Pest Services' outstanding commitment to customer satisfaction, a recognition reaffirmed by The Spruce, where the company was honored with the title of [Best Customer Services](#) for 2024. This marks the second consecutive year Modern has received these accolades.

"We are tremendously proud to be recognized as one of the top ten pest control companies in the United States. This recognition is a testament to the dedication and expertise of our team, who work tirelessly to ensure the safety of our clients and their homes, workplaces, and communities. We remain committed to delivering exceptional service and setting industry benchmarks for quality and innovation," said David Lock, President of Modern Pest Services.

### Why Choose Modern Pest Services

#### Full-Service Pest Control Company

Not only does Modern offer standard pest control services for typical pests such as ants, mice, carpenter ants, stinging insects, mosquitos and ticks, they also offer many other services

We are tremendously proud to be recognized as one of the top ten pest control companies in the United States. This recognition is a testament to the dedication and expertise of our team."
