HAUPPAUGE, NY, UNITED STATES, March 12, 2024 /EINPresswire.com/ -- [Custom Computer](#)

[Specialists](#) ("CCS"), a leading IT services provider, announced today that the organization has been voted Best Cyber Security firm and Best Computer Services in the Bethpage [Best of Long Island](#) contest for the third year in a row.

In an era where organizations are increasingly vulnerable to cyberattacks, CCS is proud to be the trusted partner for strategic planning, preparation, prevention, remediation, and recovery plans."

Jay Whitchurch, CEO

"I am thrilled and honored to once again be voted the Best Cyber Security firm and Best Computer Services on Long Island," said Jay Whitchurch, CCS's CEO. "Serving our clients on Long Island and beyond is a privilege, and we're honored by the recognition from our clients and the community for the outstanding work we do in supporting their crucial technology needs. In an era where

organizations in our region are increasingly vulnerable to cyberattacks, CCS is proud to be the trusted partner for strategic planning, preparation, prevention, remediation, and recovery plans. This award reflects the confidence that Long Islanders have in our exceptional cyber and technology services teams."

More than a million votes were tallied for Long Island's favorites in the Best of LI 2024 contest, which is conducted each year by Schneps Media, and sponsored by Bethpage Federal Credit Union. This award is highly sought after because it is an affirmation from the community that the winning organizations are the best in their field.
