The popular Hollywood based television host and German royal Prince Mario-Max Schaumburg-Lippe presented Community Leadership, Empowered Women of the Year Award

LOS ANGELES, CALIFORNIA, USA, March 12, 2024 /EINPresswire.com/ -- A Toast to the Masters of

“

It is an honor to celebrate excellence of others, make them smile, shine and award achievements! It is one of my favorite things to do as Television host in Hollywood. Very special moments i cherish!"

His Highness Dr. Prince Mario-Max zu Schaumburg-Lippe

Ceremony: Award Presenter and Television Host Prince Mario-Max zu Schaumburg-Lippe presented two Awards to the distinguished honorees of the Luxury Gala 2024 with Oscars viewing party. He co-presented with his girlfriend [Andrea AJ Catsimatidis](#) on the stage of the Universal City Hilton in Hollywood, California, USA.

Prince Mario-Max commented enthusiastic: "Tonight, we celebrate excellence. We acknowledge the incredible achievements of those around us. But before we delve into the awards themselves, I want to take a moment to recognize the individuals who guide us through this special evening – the award presenters and our event hosts. And I

am honored to have been selected to present two Awards myself!"

Award presenters are more than just name readers. They are the storytellers of the night. They bridge the gap between the nominees and the audience, breathing life into their achievements. A great presenter can evoke emotions, inspire awe, and remind us why these awards matter. They might share a personal anecdote about the nominee's work, inject a touch of humor, or deliver a heartfelt message. It's a delicate balance, and when done well, it elevates the entire evening.

[Robert W. Cabell](#) adds: ": The Awards presenters are the lifeblood of the ceremony. With wit, charm, and a steady hand, they keep the night flowing seamlessly and I want to congratulate Prince Mario-Max and Andrea AJ Catsimatidis . They handled the grand ceremony and its special moments with grace, spark engaging conversations, and ensure everyone feels welcome, included and celebrated. They are the invisible orchestra conductor, ensuring every element

harmonizes to create a truly memorable experience for the Award winners!". Samira Kazemi the producer and event founder truly put on an outstanding event with more than 1000 happy celebrity guests, industry titans and artists.

A producer added: Last night, we were fortunate to have had Prince Mario-Max and his girlfriend AJ gracing the Hollywood stage. Their dedication, professionalism, and sheer talent are essential ingredients in making this night a success. Let's give them a round of applause for their contributions!

Now, let's get back to celebrating the stars of the night – the brilliant nominees and award winners! But let's never forget the amazing people who help us shine a spotlight on their achievements, the great team of Samira's Network, who produced this magical event.
