

Beverly Hills Cosmetic Dentist Quoted in Several Articles

Beverly Hills cosmetic dentist Kevin Sands, DDS recently shared his oral health expertise in articles by Yahoo, NewBeauty, and The Washington Post.

BEVERLY HILLS, CA, USA, March 13, 2024 /EINPresswire.com/ -- Kevin Sands, DDS – a [Beverly Hills cosmetic dentist](#) – relishes the opportunity to educate existing and prospective patients. Most recently, Dr. Sands appeared in works by three major publications.

This Yahoo article (1) features input from Dr. Sands and three other trusted professionals, including a nurse practitioner and a cosmetic chemist. Each source discusses the benefits of coconut oil in aesthetics and medicine, with Dr. Sands noting its ability to combat tooth decay and gum disease. Meanwhile, in a NewBeauty piece (2), Dr. Sands shares information about the effects of pregnancy on oral health – specifically, on what hormonal changes can do to the appearance of a patient's smile.

Finally, an article by The Washington Post (3) provides an in-depth look at Dr. Sands' history, including his decision to enter the dental world. Dr. Sands is candid with the reporter, citing meaningful experiences with his clientele and explaining his devotion to enhancing natural beauty.

Dr. Sands states that he was honored to have been featured in these pieces. He encourages anyone who is interested in top-quality, fully customized cosmetic dentistry results to get in touch with his team.
