"It has never been more important, with the affordable housing deficit, to create new affordable homeownership opportunities for working families," said Kevin Smith, CEO of Habitat NCC. "This project in Middletown (Grace Point II) does just that; adding four new homes, while continuing our focus of revitalizing neighborhoods."

The unwavering perseverance of the homeowners who diligently partnered with Habitat NCC in the homeownership program was key to making these homes a reality, alongside the dedicated volunteers who contributed their time and effort to the construction site.

Habitat NCC extends heartfelt gratitude to the sponsors whose generous support made this project possible: New Castle County, Welfare and Crestlea Foundations, Comenity Bank, Laffey McHugh Foundation, Milton and Hattie Kutz Foundation, Crystal Trust, WSFS Bank, New Century Club, and the Marmot Foundation.
