This collaboration heralds a new era of cultural celebration and digital empowerment, aiming to place Somali American heritage on the national stage.

Somali Week, historically celebrated as the pinnacle of Somali American culture, has transformed from its humble beginnings in 2011 as a one-day event with 5,000 attendees to a spectacular week-long festival, now drawing more than 40,000 participants from a mosaic of backgrounds throughout the week. The 2024 iteration, launching on Friday, June 28, with a keynote Town Hall Meeting featuring the esteemed former Prime Minister Hassan Khaire, is set to be a beacon of cultural pride and inclusivity. Minneapolis will come alive with the heart and soul of Somalia through a vibrant street festival, enriched with culinary delights, exhilarating musical performances, and captivating art exhibitions, symbolizing the essence of Somali tradition and community spirit.

This year, with the infusion of Arts and Cultural events highlighting Somali cinema, poetry, dance, and music, Somali Week aims to transcend cultural boundaries, facilitating a deeper connection among the varied communities within the Twin Cities. The strategic partnership with Somali Snaps, a revolution in social connectivity for Somalis worldwide, is poised to amplify this mission.
