Luke Stell

leading provider of survey and polling solutions, is proud to announce the launch of its groundbreaking fully managed concierge service, simplifying the survey process for individuals and businesses worldwide. Gathering valuable insights has never been easier with SurveyNova's innovative approach to survey management. By offering a fully managed concierge service, the platform empowers clients to focus on their goals while eliminating the technical complexities traditionally associated with survey administration.

"Our mission at SurveyNova is to democratize access to

powerful survey tools," says Luke Stell, Co-Founder of SurveyNova. "With our fully managed concierge service, we're breaking down barriers and making it effortless for individuals and businesses to gather actionable insights."

Key features of SurveyNova's fully managed concierge service include:

Streamlined Setup: Clients simply describe their survey goals and questions, and the dedicated concierge team handles the rest, from technical configuration to administration.

No HR Overhaul: SurveyNova's experts handle every step, protecting internal teams from disruption and the need for specialized training.

Personalized Assistance: Clients receive personalized assistance throughout the survey process, ensuring a seamless and hassle-free experience.

Expert Guidance: Benefit from the expertise of SurveyNova's experienced team, who are

dedicated to maximizing the effectiveness of each survey project.

Actionable Insights, Not Data Dumps: Surveys are crafted to maximize engagement, and analysis is tailored to provide strategic recommendations.

Scalable Solutions: From quick-turnaround projects to in-depth research initiatives, SurveyNova offers tiered services to align with diverse business needs.

"We understand that not everyone has the time or technical expertise to manage surveys effectively," adds Luke Stell. "That's why we've designed our concierge service to remove the burden, allowing our clients to focus on the insights that matter most." "We built SurveyNova for busy teams who need reliable market research without sacrificing valuable time and resources," Stell added. "We don't just provide software, we offer a true partnership, taking projects from concept to clear recommendations." "We're thrilled to bring this solution to the market, empowering organizations to focus on utilizing insights, not struggling to obtain them."

SurveyNova's fully managed concierge service is already receiving rave reviews from early adopters. Whether you're conducting market research, gathering customer feedback, or soliciting public opinions, SurveyNova's fully managed concierge service is your trusted partner for success.
