

SCCG Management Announces Partnership Extension with IDnow for Enhanced KYC Solutions in the LATAM Region

SCCG, the leading advisory and consultancy in the global gaming

industry, is delighted to announce the extension of its partnership with IDnow

LAS VEGAS, NEVADA, USA, March 14, 2024 /EINPresswire.com/ -- [SCCG Management](#), the [leading advisory and management consultancy in the global gaming industry](#), headquartered in Las Vegas, is delighted

“

We are excited to continue our journey with IDnow, bringing their innovative solutions to more operators in the LATAM region.”

Stephen Crystal

to announce the extension of its partnership with [IDnow](#), a premier European provider of identity verification solutions. This strategic alliance is placing a focused effort on expanding its reach to encompass the broader Latin America (LATAM) region.

Since the commencement of the partnership in April 2022,

SCCG Management and IDnow have successfully collaborated to deliver state-of-the-art identity verification services tailored to the specific needs of the casino gaming sector. IDnow's cutting-edge platform has been instrumental in ensuring secure, frictionless digital onboarding experiences for operators and their customers, fostering an environment of trust and compliance across jurisdictions.

Stephen Crystal, Founder and CEO of SCCG Management, expressed his enthusiasm about the extended partnership: “Our collaboration with IDnow has been incredibly fruitful, not just for our two companies but for the entire gaming ecosystem in the regions we serve. IDnow's comprehensive identity proofing platform and customer portal have proven to be indispensable tools for operators seeking to enhance user experience while adhering to stringent security and regulatory standards. We are excited to continue our journey with IDnow, bringing their innovative solutions to more operators in the LATAM region.”

IDnow's platform, known for its comprehensive set of identification verification methods and document signing services, allows companies to streamline their digital onboarding processes. The platform's flexibility, combined with the My IDnow portal, offers deep identity insights and analytics, ensuring transparency and ease of management for companies navigating the

complexities of identity proofing and document signing solutions.

This partnership extension is poised to further empower operators in the LATAM region, enabling them to offer safe, efficient, and compliant gaming environments to their users. Both SCCG Management and IDnow are committed to continuing their collaboration, leveraging their combined expertise and innovative technologies to set new standards in the industry.

ABOUT IDNOW

IDnow is a leading identity proofing platform provider in Europe with a vision to make the connected world a safer place. The IDnow platform offers a broad range of identity verification and document signing solutions combined with a comprehensive service offering. Ranging from automated to human-assisted, from purely online to point-of-sale, the identity proofing methods are optimized to assure the highest security standards with maximum user conversion.
