

Ascendum Solutions Hires Chandra Sekhar as VP of Digital for the Western U.S.

Denver-based VP partnering with enterprise clients to accelerate their digital journeys.

CINCINNATI, OHIO, USA, March 14, 2024 /EINPresswire.com/ -- Ascendum Solutions, a [global digital innovation firm](#), announced today that the company has hired Chandra Sekhar as their

Vice President of Digital for the Western Region of the United States. Mr. Sekhar brings more than 30 years of leadership experience in sales development, client delivery, business operations, and team management to his role.

“

In an era defined by rapid technological change, it is our responsibility to empower businesses through cutting-edge solutions and creative ideas.”

Chandra Sekhar

Based in Denver, Colorado, Sekhar has more than 30 years of experience in the banking, insurance, manufacturing, retail, healthcare, high-tech, med-tech, energy, utility, and public sector industries. He has managed teams in Canada, China, Europe, Japan, India, Oman, Singapore, UAE, and the United States.

"I am thrilled to join the Ascendum team and look forward to leveraging my experience to drive digital innovation across the Western region," said Sekhar. "In an era defined by rapid technological change, it is our responsibility to empower businesses through cutting-edge solutions and creative ideas. With Ascendum's commitment to excellence and its focus on people and technology, I am confident we will redefine the boundaries of what's possible for our clients."

Prior to joining Ascendum, Sekhar was a Managing Director at NTT Data, President of Tetrachoron Consulting, and an Executive Client Partner at Virtusa. He is an Engineer with an MBA from Queen's University, a Chartered Professional Accountant (CPA), Certified Management Consultant (CMC), and member of the Colorado Technology Association.

Sekhar is passionate about health and wellness, outdoor activities, and traveling.
