resource for student loan assistance, is pleased to announce an important deadline for Federal Student Loan borrowers throughout Illinois and the entire country. If you have Federal Student Loans and are considering consolidation, now is the time to act. The deadline to take advantage of this program is April 30, 2024.

What's the Opportunity?

The One-Time Account Adjustment provides a unique chance for borrowers to consolidate their Federal Student Loans. By doing so, you can:

- Receive additional credit towards forgiveness of your

loans that you will not be able to receive later.

- Potentially lower your monthly payments, simplify your loan management, and take advantage of favorable terms.

Why Consolidate?

- Streamlined Repayment: Consolidating your loans combines multiple loans into a single, more manageable payment. Say goodbye to juggling various due dates and amounts!
- Interest Rate Benefits: Depending on your situation, consolidation may lead to a lower interest rate, reducing the overall cost of your loans.
- Eligibility for Forgiveness Programs: Consolidated loans may qualify for various forgiveness programs, including Public Service Loan Forgiveness (PSLF) and Teacher Loan Forgiveness.

Who Is Eligible?

Anyone with Federal Student Loans, including Undergraduate, Graduate, and Parent-Plus loans.
