Peter Diamandis

The Abundance Summit provides a platform to share insights and explore the collaboration between AI, automation, and human partnership with an equally passionate audience about harnessing technology for exponential growth and positive global change.

"We are proud to announce that Invisible Technologies will be this year's breakthrough partner. Renowned for their pioneering work in AI and collaboration across various industries, attendees can anticipate invaluable insights into the vast potential of AI and the imperative operational

innovation necessary to navigate the ongoing AI revolution," said Peter Diamandis, founder of Abundance360.

Francis Pedraza, founder and chair of the board, and Benjamin Plummer, CEO of Invisible Technologies Inc., are slated to present a fireside chat, "From Confusion To Revolution: A Practical Approach To Harnessing The Power Of AI," moderated by the event's founder, Peter Diamandis, on March 19, 2024.

Also present at the Summit will be such media luminaries as Geoffrey Hinton, the godfather of AI; Eric Schmidt, former CEO and Chairman of Google; Anousheh Ansari, CEO of XPRIZE and Emad Mostaque, founder and CEO of Stability AI.

"We are thrilled to announce our participation in the Abundance Summit," stated Benjamin Plummer, CEO of Invisible Technologies. "Our involvement in the summit, especially the fireside chat led by Peter Diamandis, presents a unique opportunity to engage with over 500 CEOs and entrepreneurs, sparking meaningful conversations."
