TAYLOR SWIFT TOUR POSTER

"We had to step in," says Forrest Jones, "and when I witnessed Katy's portrayal of Taylor—her look, her voice, her costumes, and even her demeanor—I knew we had struck gold. Katy Ellis isn't just a performer; she's an all-around entertainer, currently captivating audiences across Europe, and soon, she'll be bringing her magic to Canada, starting out west."

The tour will grace eight provinces, with stops at renowned casinos and a variety of venues in Ontario and the East Coast. "We're not your average promoters," continues Jones. "We seek out unique shows that fill a void, ones that people are eager to see. This tour does just that, and it's only one of the many exciting events we're bringing to Canada, including the Celine Tour this April."

January Butler, renowned for her uncanny resemblance to Celine Dion, will soon grace stages in Ontario, Quebec, and the East Coast. And later this year, Daniel East, the unparalleled Ed Sheeran tribute, will join forces with local Elton John impersonator, Jeff Scott, for some festive performances.

"It's an exhilarating time in the tribute business," Jones adds. "We pride ourselves on working with the best of the best, and the buzz we're creating is undeniable. With over 110 shows already booked, we're reaching our limit, but the excitement just keeps growing."

Don't miss this chance to experience the closest thing to Taylor Swift live in concert. Join us for a celebration of her music, her style, and her spirit, as brought to life by the talented Katy Ellis.
