

# CommercialLEDLights.com expands its product lineup with Solera Solar Lighting products

FARMINGTON, MICHIGAN, UNITED STATES, March 15, 2024 /EINPresswire.com/ --

[CommercialLEDLights.com](https://www.commercialledlights.com), a reputable provider of commercial grade lighting solutions, is delighted to announce a new partnership with Solera Solar Lighting, a company recognized for its comprehensive selection of solar lighting products designed for commercial use. This strategic alliance is set to broaden the range of high-quality, solar lighting solutions available to businesses, catering to a growing demand for sustainable and effective lighting options.

Charles Kughn, CEO of CommercialLEDLights.com, expressed his enthusiasm about the partnership: "High-quality commercial-grade lighting products are our sole focus, removing the guesswork for our customers so they know they are getting quality products at fair prices. As we continue to expand our offering, we are thrilled to be working with Solera knowing their products will deliver on our promise."

## Expanding Offerings with Solera's Solar Lighting Solutions

The partnership with Solera Solar Lighting introduces an array of solar-powered LED lights, innovative solar panels, and aesthetically pleasing fixtures into CommercialLEDLights.com's product lineup. Solera's commitment to blending functionality with design is evident in their products, which are tailored for a wide range of commercial applications. These solutions not only meet the practical needs of providing sufficient and effective lighting but also enhance the visual appeal of spaces with their distinctive designs.

Solera's solar lighting products are celebrated for their versatility, energy efficiency, and contemporary design, making them a perfect addition to any commercial setting looking to

adopt sustainable lighting solutions without compromising on aesthetics. The range of solar panels from Solera presents a suite of power options, ensuring a match for every scale of commercial lighting necessity. More than just fulfilling the functional aspect of lighting, Solera's meticulously designed fixtures transform environments into visually appealing spaces, showcasing the harmonious blend of aesthetics and utility.

This integration of Solera's solar lighting solutions into the product lineup at CommercialLEDLights.com signifies a shared vision of providing sustainable, efficient, and aesthetically pleasing lighting solutions for the modern commercial landscape.

### Availability and Access

CommercialLEDLights.com is now featuring an extensive selection of Solera's solar lighting solutions, affirming its commitment to offering versatile, durable, and energy-efficient lighting options to businesses. Customers interested in exploring the available Solera solar lighting products can visit [CommercialLEDLights.com's website](https://www.commercialledlights.com).

### About CommercialLEDLights.com

CommercialLEDLights.com specializes in providing high-quality, commercial-grade lighting solutions tailored to the needs of businesses across various industries. With a focus on sustainability, efficiency, and design, the company aims to offer products that not only meet the functional requirements of commercial environments but also contribute to their aesthetic appeal. The partnership with Solera Solar Lighting underscores CommercialLEDLights.com's dedication to enhancing its product offerings with solutions that reflect the latest advancements in lighting technology and design trends.
