ROCKVILLE, MD, USA, March 15, 2024
/EINPresswire.com/ -- National
investment loss and securities lawyers
[KlaymanToskes](#) continues its
investigation into financial advisor
Suzanne Wheeler after her
recommendations of [GWG L Bond
Investments](#) allegedly caused an
investor up to \$500,000 in damages.
The law firm urges all current and
former customers who suffered
investment losses in GWG L Bonds with
Suzanne Wheeler and/or any other
broker/investment advisor, to contact
the firm immediately at 888-997-9956.

KlaymanToskes reports that the firm is currently representing a former customer of financial advisor [Suzanne Wheeler \(CRD# 1107381\)](#) who is seeking to recover damages of up to \$500,000, in connection with being recommended to invest in unsuitable, illiquid, and high-risk GWG L Bonds.

According to the claim filed, Wheeler overconcentrated 100% of the investor's retirement savings in GWG's L Bonds – a highly speculative, illiquid private placement investment. As the GWG L Bonds were illiquid and unlisted, there were significant risks that were not disclosed to the customer. In January 2022, GWG stopped paying interest and principal payments to

bondholders, and in April 2022 GWG Holdings, Inc. filed for Chapter 11 bankruptcy (Case No. 22-90032), suspending their monthly dividends and leaving investors without access to their principal.

Suzanne Wheeler was previously registered with Coastal Equities, Inc. and Coastal Investment Advisors from February 2018 to August 2019 in Rockville, MD. Wheeler is currently registered with Arkadios Capital and Arkadios Wealth Advisors in Olney, MD.
