*Next Day Access is proud to announce the opening of the Next Day Access North Indianapolis franchise location.*

INDIANAPOLIS, INDIANA, UNITED STATES, March 18, 2024

/EINPresswire.com/ -- Next Day Access is extending their reach to a new franchise location in north Indianapolis, Indiana. Garrett Brown, a Purdue graduate, explains how he became interested in the franchising world.

After obtaining a mechanical engineering degree, Garrett began working in manufacturing while keeping his dream of becoming a business owner in mind. As his desire

to get more involved in his community grew, he was searching for more ways to get involved. When his wife showed him a podcast that empowers future business owners, it encouraged him to action. Garrett began researching various franchising opportunities, where he found that the Next Day Access core values aligned with his own. "Next Day Access stood out and checked all the right boxes." From that moment, he knew it would not only be an easy decision, but the right one.

Garrett recognizes that as the North Indy population continues to expand, more people will require accessibility solutions. Garrett says, "I want to bring these solutions with an outstanding team delivering the best experience. I believe our world needs a positive movement in our culture, and I believe we can make that happen."

Next Day Access North Indianapolis allows Garrett to be both a business owner and a positive force in his community. "The work we do makes real impacts in individual people's lives," says Garrett, "and individuals are what communities are made of."
