About Mark Russell Bell: Between 2009 and now, Bell's articles have reported about his personal experiences of 'paranormal phenomena' among a gamut of case profile articles about extensively documented cases of transcendental communication. Bell offers explanations about otherwise 'unexplained' phenomena with data sources always specified. He first became a metaphysical author with the publication of his autobiographical paranormal case study book Testament (1997). During his younger years, Bell was a cinema major at USC and in 1980 he became actor Mickey Rooney's in-office assistant employed at the Hollywood Hills home of his

agent Ruth Webb. After becoming a talent agent himself, he deciding to change his career path. In 1987 Bell became staff writer in the publicity department of Paramount Pictures. He contributed to the success of 100+ movies, including "Braveheart," "Fatal Attraction," "Fire in the Sky," "Forrest Gump," "Ghost," "The Godfather, Part III," "Indiana Jones and the Last Crusade," "The Naked Gun" trilogy, "Scrooged," seven Eddie Murphy movies, and several "Star Trek" films. In 1995 after researching documented 'talking poltergeist' cases, Bell learned about a contemporary Oklahoma family experiencing this phenomena. The entire expedition is chronicled in Testament with verbatim interview transcripts. The central communicating entity in the case was known as 'Michael,' whom Bell soon began to associate with the Archangel that is the archetype for an angelic Force interacting with mankind throughout the ages. Upon returning home to Los Angeles, Bell's 'paranormal initiation' continued to unfold and he knew that he must leave his entertainment career behind to concentrate on sharing the information that would enable people to expand their understanding about life. Bell eventually decided to research paranormal case study books and he discovered what he calls 'The Michael Pattern' and 'The Bell Pattern' that noticeably interlink famous cases of documented paranormal phenomena, including Nostradamus, John Dee, the Fox Sisters associated with the Spiritualism Movement, Madame Blavatsky, Edgar Cayce, Guy and Edna Ballard, Direct Voice medium Leslie Flint, channelers such as JZ Knight and Mark Probert, and the 'Messages from Michael' Ouija Board communication case. Bell's twin brother is also named Michael.
