Most Navy Veterans who develop mesothelioma were exposed to asbestos on a navy ship, submarine or at a shipyard decades ago.

"We know there might appear to be lots of options on the internet when it comes to mesothelioma and Navy Veterans-but none of these advertisers are based in Alabama-and about half only sign-up people with mesothelioma-or asbestos exposure lung cancer—they do

not do the compensation work. If your husband or dad has mesothelioma and he is a Navy Veteran in Alabama-please call the Birmingham based Environment Litigation Group at 866-714-6466-we are certain you will be glad you did." <https://www.elglaw.com>
