The synthetic rubber gloves market, based on material is segmented into five main categories namely Nitrile, Neoprene, PVC, Butyl, Others. [Nitrile gloves](#) provide a superior combination of qualities, including strong chemical resistance, puncture resistance, and flexibility, all at a reasonable cost. They are widely preferred for various uses in healthcare, food service, and light industrial environments.

The synthetic rubber gloves market, based on material is segmented into five main categories namely. Healthcare, Food and [Beverage](#), Chemical, Electronics, Automotive, Others. Hospitals and medical facilities must adhere to strict hygiene protocols in order to avoid the transmission of pathogens. Nitrile gloves, in particular, are essential for healthcare workers when conducting examinations, performing procedures, and dealing with hazardous materials.

North America is anticipated to account for a significant share of the synthetic rubber gloves market due to rise in health expenditures. For instance, According to National Health Expenditure fact sheet in December 2023, the national health expenditure witnessed a growth of 4.1%, reaching a total of \$4.5 trillion. The average amount per individual was \$13,493, representing 17.3% of the Gross Domestic Product (GDP). In 2022, the expenditure on Medicare witnessed a growth of 5.9%, reaching a total of \$944.3 billion. The amount accounted for 21 percent of the overall National Health Expenditure (NHE).

The research includes coverage of Candela Corporation, Allergan, Merz Pharma, Mentor Worldwide LLC, Lumenis, Sinclair Pharma, Cutera are significant market players in the synthetic rubber gloves market.

The market analytics report segments the synthetic rubber gloves market as follows:

- By Material
 - Nitrile
 - Neoprene
 - PVC
 - Butyl
 - Others
- By End-User
 - Healthcare
 - Food and Beverage

- Chemical
- Electronics
- Automotive
- Others

- By Geography

- North America

- United States
 - Canada
 - Mexico

- South America

- Brazil
 - Argentina
 - Others

- Europe

- United Kingdom
 - Germany
 - France
 - Spain
 - Others

- Middle East and Africa

- Saudi Arabia
 - UAE
 - Israel
 - Others

- Asia Pacific

- Japan
 - China
 - India
 - South Korea
 - Indonesia
 - Thailand
 - Others

Companies Profiled:

- Candela Corporation
- Allergan
- Merz Pharma
- Mentor Worldwide LLC
- Lumenis
- Sinclair Pharma
- Cutera
