What is an illuminated moment of truth?

It is a time when we have an opportunity to break free from conventional understandings and seek alternative points of view.

The Afterlife Experience seeks to be that moment of truth for readers who are brave enough to dive in.

In his latest book, [Bud Megargee](#) takes readers on a journey to better understand how energy created by the elements of water, fire, air and earth can interact with the human experience and

even have the potential to affect the afterlife. Through input from Socratic-like narratives, Bud learns that these elements radiate negative and positive energies that are powerful enough to penetrate the entire human existence.

In 2024, the INDEPENDENT PRESS AWARD saw participation from authors and publishers across the globe, including those residing in Australia, Bangladesh, Canada, Cyprus, Germany, India, Kenya, Japan, Nigeria, Norway, Portugal, Scotland, Singapore, South Africa, Spain, and The Netherlands.

Gabrielle Olczak, IPA President and Award Sponsor. "Independent publishing is a formidable agent. It provides unparalleled content and quality to consumers worldwide and we are proud to highlight this year's awardees to the world."
