

For the Ivy at Gastonia, March is Filled With St. Paddy's Day and Easter Fun

GASTONIA, NORTH CAROLINA, UNITED STATES, March 19, 2024

/EINPresswire.com/ -- When looking at the Ivy at Gastonia, one may highlight the dynamic physical therapy program, the hospitable staff, or even the quality healthcare. However, for the majority of the residents and their families, what stands out the most are the loads of fun activities for center members to participate in.

At the Ivy at Gastonia, while the regular days are filled with different activities and entertainment options when it comes to celebrating there are no

corners cut. For the month of March staff members have created week-long celebrations for both St. Patrick's day and Easter so that the residents feel the excitement building up all the way until the big day! As Casey, a cherished staff member, explains, "why should we limit the fun to once or twice a month? We have the opportunity to bring joy to our residents each day, even with seemingly little things, so of course we want to take advantage of that and plan engaging activities for the whole month."

"I know I can always trust my staff to go above and beyond when it comes to caring for our residents' physical and emotional needs. They continuously outdo themselves and strive to be better, and this is always easy to see from the activities they plan and care that they provide", says Ryan Coane, Ivy Healthcare Group President.

With the above in mind, the Ivy at Gastonia's staff and residents are always happy to share their love for the community they've created and are open to scheduling phone interviews if you would like to learn more. They would also like to extend an invitation to you and your team to come and see for yourself the exciting events they have lined up.

The following information is an easy way to keep track of the events taking place in March.

Please feel free to reach out with any questions or comments you may have.

Ivy at Gastonia Nursing and Rehabilitation Center (Gastonia, North Carolina):

Tuesday, March 12th, 2pm - St. Patrick's Day cookie decorating
