

Spring has Officially Sprung for Residents at the Ivy at Davenport During the Months of March and April

DAVENPORT, IOWA, UNITED STATES, March 21, 2024 /EINPresswire.com/ -- As spring is being ushered in and the weather is warming up, the Ivy at Davenport is gearing up for some fun filled weeks. When speaking with longtime Ivy staff member, Dawn, she excitedly explained what's on the schedule for the next two months. "We're very excited to be hosting our annual St. Patrick's Day party. This is definitely one of those events our residents especially look forward to. It's such a fun and festive day and we all get to let loose and have some good laughs together!", says Dawn.

Additionally, while some events are exclusive for the residents to enjoy, the Ivy also prides itself on being a beacon for the community to come together. That is why the center is already planning for their neighborhood wide barbeque that will be hosted in April. The barbeque is a great way to get the community involved and the residents will be sure to enjoy the activities that are planned and the general good feelings that are evoked when the community comes together.

"Something that has always been a priority for us at the Ivy is community involvement. While we want our residents to feel at home at the center and create their own community, having a connection to the broader neighborhood and countering a sense of isolation is something that is extremely important to us", says Ryan Coane, Ivy Healthcare Group President.

The Ivy at Davenport's staff and residents are always happy to share their love for the community they've created and are open to scheduling phone interviews if you would like to learn more.

The following information is an easy way to keep track of the events taking place in the coming months. Please feel free to reach out with any questions or comments you may have.
