Dr. Sudip Bose star of Prime Video series "Desert Doc."

Driven by a commitment to realism and authenticity, "Desert Doc," follows the day-to-day experiences of Dr. Sudip Bose, a dedicated emergency physician, as he navigates the challenges and triumphs of saving lives in the high-stakes environment of the emergency room. With unprecedented hospital emergency room access and unfiltered storytelling, the series provides a raw and unvarnished look at the world of emergency medicine.

“

We've worked on this series for more than 5 years and are proud to now make it available on Prime Video. It is an authentic account of life and death in an emergency room.”

Kelli & Bob Phillips, Executive Producers

Unlike traditional medical dramas, "Desert Doc" eschews reenactments and scripted narratives in favor of genuine, real-life encounters captured on camera. Each episode offers viewers a front-row seat to the drama, urgency, and

human emotion inherent in emergency medical situations, providing an immersive and unforgettable viewing experience.

Executive produced by Kelli and Bob Phillips, "Desert Doc" offers a unique perspective on the world of medicine, highlighting the dedication, compassion, and resilience of healthcare professionals in the face of adversity. Through its compelling storytelling and authentic portrayal of real-life medical scenarios, the series aims to educate and inspire.

"We are thrilled to share 'Desert Doc' with audiences worldwide," said Kelli and Bob Phillips, Executive Producers of the series. "Dr. Sudip Bose's incredible journey and the stories of the patients he encounters are both inspiring and captivating. We believe that viewers will be drawn to the authenticity and raw emotion captured in each episode."

"Desert Doc" is now available for streaming exclusively on Prime Video offering viewers the opportunity to witness the drama and intensity of emergency medicine from the comfort of their own homes. The groundbreaking series aims to honor and showcase the real-life heroes who work tirelessly to save lives every day.
