years of experience, medical license and medical background checks, and a unique and stringent process of analyzing patient reviews from across numerous publicly available sources that must yield a minimum of a 4.2 patient satisfaction rating.

[Dr. Brooke Jeffy, MD](#), has earned the 2024 Women's Choice Award Best Doctors designation demonstrating a strong commitment to patients. Dr. Jeffy strives to enhance her patient's quality of life, combining medical [dermatology](#) with skincare and [lifestyle modification strategies](#) to help her patients achieve skin and body wellness. She is

passionate about tween and teen skin health and reducing the psychological impact of acne in her patients. She is also the founder of BTWN skincare for tweens and teens.

Dr. Jeffy says, "I strive to provide my patients with the highest level of personalized, compassionate, and personable care, and I am thrilled to receive the Women's Choice Award based on this dedication."

Delia Passi, Founder of Women's Choice Award and leading consumer advocate for women says, "Women carry the burden of finding the best doctors for her and her family. We have helped millions of women find the Best Hospitals, Mammogram Centers, Breast Centers, and Nursing Homes for a dozen years and it's time we help her find the Best Doctors".

Earning the Women's Choice Award is particularly challenging as it entails meeting specific criteria points as indicated in a national survey by women across America. As research shows, women are the chief healthcare officers of the household and have the highest expectations of their providers - as they should.
