

KREWECAR Expands Rideshare Service with Family-Friendly Solutions to Nashville

NASHVILLE, TENNESSEE, UNITED STATES, March 20, 2024 /EINPresswire.com/ -- Woman-owned Transportation Network Company, [KREWECAR](#), is pleased to announce the official expansion of its rideshare service into Nashville, TN. This strategic move marks the company's continued commitment to providing safe, personalized transportation solutions for families, especially those traveling with young children.

Founded on the principles of safety, convenience, and quality, KREWECAR's [Nashville rideshare](#) offers a unique service unlike any other in the transportation industry. Recognizing the challenges parents face when traveling with young children, KREWECAR ensures that all rides are equipped with the proper car seats for children up to age 9, allowing families to travel without the burden of carrying heavy car seats. Each driver is thoroughly vetted and trained to maintain immaculate vehicles and provide top-tier customer service, defining luxury as the freedom to travel light.

"Expansion to Nashville is more than just a business growth opportunity – it's about connecting communities and enabling families to explore new horizons with comfort and ease," says Beth Nettles, CEO and founder of KREWECAR. "We're here to ensure that the journey to any destination is as memorable and stress-free as the stay."

Currently operating in two major cities, Nashville and New Orleans, and with permits at BNA and MSY airports, KREWECAR invites families to book their rides through the company's user-friendly app. With the ability to schedule trips up to two months in advance, the [Nashville rideshare service](#) promises a seamless travel experience from doorstep to destination.

"In a world where travel can often become more about the logistics than the experience, we're thrilled to offer a service that prioritizes the well-being and convenience of our riders," Nettles continues. "Whether you're a local or a tourist, our mission is to foster family adventures by removing the logistical hurdles of getting around."

KREWECAR is excited to see its rideshare services expand to further cities in the near future.
