

Zzoma® Marks Major Adoption and Patient Satisfaction Milestones; Eyes Philadelphia Conference Participation

PHILADELPHIA, PA, UNITED STATES, March 20, 2024 /EINPresswire.com/ -- Sleep Specialists, LLC, makers of [Zzoma®](#), an innovative positional therapy for mild to moderate obstructive sleep apnea (OSA), today announced substantial growth, positive internal survey results, and their upcoming participation in the [Philadelphia Sleep Conference](#).

The company has surpassed its recent milestone of 1,000 prescribing physicians and 800 sleep clinics. Sleep Specialists now proudly partners with over 1,700 physicians and has been adopted by more than 1,300 sleep centers across the country. This rapid expansion underscores the demand for effective, patient-centered alternatives to CPAP.

Adding to this success, Sleep Specialists conducted an internal sample of Zzoma users (N=100), revealing overwhelmingly positive results:

- 74.7% of users find Zzoma easy to use.
- 78.7% of users report improved quality of life.
- 89.4% report waking up feeling better.
- 88.1% report improved sleep quality.

These results confirm Zzoma's impact on sleep health and its position as a reliable and

comfortable solution for those with mild to moderate OSA.

"We're thrilled to see Zzoma's widespread adoption alongside such positive patient feedback," said Michael J. Markus, PhD, Executive Director at Sleep Specialists, LLC. "These results confirm Zzoma's impact on sleep health and its position as a reliable and comfortable solution for those with mild to moderate OSA."

Key Takeaways:

□ Proven efficacy: Zzoma's proven efficacy offers healthcare providers a reliable solution for their patients.

□ Comfortable design: Zzoma's comfortable design leads to improved compliance and better sleep outcomes.

□ Expanding partnerships and investments ensure even wider accessibility to Zzoma in the United States and globally.
