Petermann Bus Donates One of a Kind “Middie Music Bus” to Middletown City Schools for Student Competitions and Community Events

MIDDLETOWN, OH, USA, March 20, 2024 /EINPresswire.com/ -- Petermann Bus, a leader in student transportation, has donated a school bus to Middletown City Schools’ music department and school district to transport students and staff to music competitions and community events. The “Middie Music Bus” as the school has fondly named it, will also be used for new teacher orientation, community tours, and as a promotional vehicle for back-to-school events.

This donation was made as part of Petermann Bus’s company-wide Partners Beyond the Bus community outreach program. These bus donations help repurpose retired, non-electric vehicles from the Company’s fleets, further contributing to the Company’s transition to alternative fuel-powered and zero-emission buses. Petermann Bus plans on transitioning to an all-zero-emission fleet by 2035.
