convenience.

On the water, the use of 16' boats, powered by eco-friendly 4-stroke motors, ensures a comfortable experience throughout the day. With a sufficient fleet to accommodate two people per boat—a luxury not commonly found in other lodges where three guests per boat is the norm—a more private and enjoyable adventure is guaranteed. Adding to the uniqueness, Brownell Wilderness Adventures offers optional guiding services and fishing equipment when requested, a rare find among light housekeeping facilities, enhancing the fishing journey with expert local knowledge.

"We are thrilled to offer our fly-in fishing experience for families and individuals looking to explore the beauty of Canada's wilderness," says Brian Geller, owner of Brownell Wilderness Adventures. "Our goal is to provide a safe and enjoyable adventure for all our guests while also promoting conservation and respect for the environment."
