

# Great College Advice Expands Its Expertise in College Admissions to Latin America

*The advisors at GCA are eager to introduce their comprehensive, personalized college admissions services to Latin American students.*

DENVER, CO, UNITED STATES, March 21, 2024 /EINPresswire.com/ -- Great College Advice, a dedicated team of [college admissions](#) consultants, is excited to announce the expansion of its [services](#) to Latin America. With a longstanding history of guiding students through the obstacles of the college admissions process in the United States and globally, Great College Advice is set to introduce its unique, student-centered approach to a new audience.

At the core of Great College Advice's philosophy is a firm belief in the individuality of each student's educational journey. The team specializes in tailoring its services to match every student's distinct needs, abilities, and aspirations. They offer a comprehensive list of services that will now expand into Latin America, including roadmap planning sessions, college admissions advising and planning, intensive prep coaching, and college essay guidance.

The company's approach is built on the understanding that the path to college is not just about securing a spot at a prestigious institution but about personal growth and making informed decisions that align with their goals and priorities. With a successful track record, including a notable 97% of students being admitted to one of their top three choices in the last three years, Great College Advice has proven the effectiveness of its methodology.

The expansion into Latin America represents a significant milestone for Great College Advice and an inspiring opportunity for Latin American students to benefit from the firm's counseling services. From navigating the college search process to finalizing applications, GCA's experienced team of college admissions consultants is ready to guide students to the educational destinations that are right for them.
