Sonesta Los Angeles Airport LAX, 5985 W. Century Blvd, Los Angeles, CA 90045.

Biomed Expo ushers in new earth frequencies of biohacking and Trans-Humanism at the Sonesta Los Angeles Airport LAX, April 11-14, 2024, the conference brings together a highly coveted group of physicians to defy the preconceived limits of the human body. With over 30 speakers and 100 lectures, workshops with 39 Exhibits, this healing fest has curated the leading minds behind the latest leaps in healing modalities in functional Wellness and Quantum Healing.

This year's programming will be the largest quantum leap to the future yet: medical researchers, doctors, and disclosure groups, Health Whistleblower will speak candidly on classified topics including: Bio photonics, Tesla's discoveries, Therapeutic Benefits of far infrared energy, Healing power of PEMF machines, Healing with Quantum Lasers, Biohacking your Brain with Nitric Oxide, Liver Detox, EMF Protection, Stem Cell therapy, Skin Care Technology, Hair Analysis, Cardio test, Heart Formulas, Red Laser Therapy, converging the disciplines of metaphysics and medicine to enhance human cognitive functions, extend lifespan, and expand extrasensory perceptions.
