Lisa and Scott Foster awarded the Guardian of the Mission award from Sleep in Heavenly Peace

Established with the legacy of founding board member and former Chapter President Heather Allen in mind, the Guardian of the Mission award celebrates individuals who demonstrate an outstanding commitment to the SHP mission. The award recognizes those who serve with an attitude of selflessness, contribute to community growth, and prioritize children who need a bed of their own.

“

We just want to do what we can to help as many kiddos as possible. It's all about the kids, a bed and giving them a fair chance to succeed in school and in the future!”

*Lisa and Scott Foster*

The Fosters joined SHP in March of 2018, and brought with them a desire and heart to serve their community in a positive way. Lisa has been an SHP ambassador from the start, volunteering early on to be a Regional Support Lead to the chapters in the Midwest South Region. She selflessly serves the SHP chapters she works with to ensure they have the tools needed to faithfully serve their communities

as well.
