

GMG Reveals International Home Equity Loans to Access Cash Quickly

Quickly turn your home equity into cash!

SINGAPORE, March 22, 2024

/EINPresswire.com/ -- The slowdown in lending appetite by retail banks globally has created a financing void, which is fuelling the historical growth of private credit.

“We are conditioned to think of our local bank as the only option for real estate financing, but in fact, there are private lenders that can fill the gap where banks are unable to help. With 300 lending relationships available globally, we are confident that we can find a solution to meet your specific needs! We always say, when banks say No, we say Yes!” says Donald Klip, co-founder of [Global Mortgage Group](#).

We offer [home equity loans](#) in the following countries:

USA | Singapore
Canada | Philippines
UK | Thailand
Australia | Hong Kong

Key points:

- Borrow up to 80% of the property value
- Qualify based property value, NOT personal financials
- No credit or income required
- 24-hour approval, funding as fast as 7 days
- Available for residential and commercial property
- No age restriction in many countries

With 300 lending relationships available globally, we are confident that we can find a solution to meet your specific needs! We always say, when banks say No, we say Yes!"
