## EXCITING INITIATIVES

In January of 2024, JN Roofing and Contracting Inc. purchased it's own building at 161 Brock Street, Barrie Ontario. And two months later, in March 2024, they opened a second office at 74 James Street, Parry Sound Ontario. They continue to establish themselves, giving customers the confidence to know that they are a company that will be around for the long haul.

Here are some further initiatives to provide even more value to their clients,

They have expanded their focus to work on their brand through exciting social media campaigns, showcasing their incredible team of roofers and why their slogan is, "WE GIVE ROOFERS A GOOD NAME." Their goal with these campaigns is to show who a JN Roofing and Contracting Inc. "roofer" is, as some people have a preconceived notion as to who a "roofer" is to them and can tend to be negative. To date, since starting their focused campaign in May of 2023, their social media reels and posts have been viewed by over 2 million people.

JN Roofing and Contracting Inc. never will sub out a roof to another contractor. Their crews are JN Roofing and Contracting Inc. employees, they have benefits, liability insurance and WSIB.

JN Roofing and Contracting Inc. typically completes a project (your roof) in a day, this is something they pride themselves on. There is no compromise to workmanship or quality, they are able to do this because of the incredible team and their ability to work with each other in an efficient and organized manner.

JN Roofing and Contracting Inc. also believes in supporting their community. They support many local youth organizations like ringette and baseball, Youth Reach Simcoe County as well as being a regular sponsor of Gilda's Club Simcoe County.
