

Unveiling An Intriguing Mysterious Figure in "Friends of D. Strobos" by Semyon White

TOMAH, WISCONSIN, USA, March 22, 2024 /EINPresswire.com/ -- Semyon White invites readers into a realm of mystery and intrigue with the release of his book, "Friends of D. Strobos." Set in the near future, this captivating collection of short stories delves into the lives of individuals entangled with the enigmatic D. Strobos, a vampire whose presence casts a shadow over each narrative.

At the heart of the book lies a compelling narrative thread: a forensic investigator's unsettling discovery that a murder suspect, emerges repeatedly in the testimonies of criminals whose cases have confounded law enforcement for decades. Each story unveils a different perspective, offering glimpses into the lives of those whose paths intersect with D. Strobos's.

From a taxi dispatcher recounting the chilling tale of a delusional nightshift driver convinced of his immortality, to a short-order cook at a desolate truck stop haunted by the memory of a lone drifter leaving behind a trail of crystallized blood, each narrative adds a layer of complexity to the mystery. One story follows a police officer's eerie interview about a beheaded victim from his cell in a mental institution, while another delves into a successful audio engineer's drug-fueled misadventure, leading him into a web from which escape seems improbable. Confessions, arrests, and encounters with the supernatural weave together a tapestry of suspense and intrigue. Among the tales lies the curious case of a woman arrested for dwelling in a mausoleum, who claims to have had a romantic involvement with the elusive suspect. The book also explores the testimony of a moon base phlebotomist recounting a bizarre encounter with a disappearing impostor who bathed in blood, as well as an interplanetary bureaucrat's pursuit of the suspect across time and space for crimes committed in the past.

The Author Semyon White

As the investigator delves deeper into the depictions of D. Strobos and the experiences of each eyewitness, he finds himself navigating a labyrinth of inexplicable events and possibilities that challenge the boundaries of logic.

About the Author

Semyon White was born in Queens, New York, and later pursued his education at Boston University. Immersed in the vibrant music scene of Boston, he spent years performing in rock bands while simultaneously honing his skills as a photographer. For a decade, his lens captured the essence of moments and stories untold. Upon returning to New York, White found himself drawn into the world of justice and order, where he served the Unified Court System for fourteen years. However, his journey took a turn as he chose to withdraw from society entirely, seeking solace in creativity and introspection.

In 2010, White's literary debut, "One Way Out," marked the beginning of a prolific writing career. His subsequent novels continued to captivate readers with their depth and imagination. Transitioning to the world of cinema, White found success as a screenwriter, with three of his scripts brought to life on the big screen. Currently, he is on the brink of completing a feature film project alongside Jake Busey from "Stranger Things." Despite his ventures into film, White remains dedicated to his roots in fiction writing and music. An avid pianist and guitarist, he finds solace and inspiration in the melodies he creates. Now residing in the vibrant city of Las Vegas, White embraces seclusion as he continues to create tales that resonate with readers.

Note from the Author

"I will be pitching the book "Friends of D. Strobos" to be adapted into a series for streaming platforms like Netflix, Hulu, and others."
