Unlike tours that simply bus people to and from wineries as part of a summer schedule that also features hikes and rafting trips, Crush Wine Experiences' Day Trip to Wine Country tours expressly specialize in wine and are led by friendly, knowledgeable WSET certified sommeliers. The day includes a visit to two of the North Fork's or Hudson Valley's top, award-winning wineries where guests sample four selections at each stop. Additionally, Crush Wine XP's guests receive unparalleled access as they interact with winemakers and key vineyard staff and go behind the

scenes, visiting production areas and barrel cellars not normally accessible to the general public. Tours spend an enjoyable 90-minutes at each winery, gleaming entertaining insights into how the wine was made through fun, informative chats and tastings offering ample opportunity to ask questions and gain wine pairing tips to enjoy at home.

The 2024 Long Island tours head to the North Fork to visit two (2) wineries on Saturdays, from April 27 through November 2 and include RGNV Winery and Pellegrini Vineyards, or Sparkling Pointe Vineyards on select dates. Hudson Valley tours run select Sundays from late May through early October and include Benmarl Winery and Robibero Winery. Guests will not only taste some of each exceptional region's finest wines but also enjoy locally sourced lunch featuring hearty artisanal sandwiches (with a vegetarian option) at their first winery stop to pair with the selections. There is also an option to purchase local artisanal local fare a la carte at the second winery. Prepared for a comfortable, enjoyable guest experience in all weather conditions, activities take place indoors in spacious tasting rooms during inclement or cooler weather and are protected from the elements during warm, sunny days.

"As wine lovers and sommeliers ourselves, we're delighted to launch Day Trip to Wine Country's 8th season of impeccably designed tours for wine enthusiasts of all levels. We only do wine tours and are proud to feature the only sommelier-guided excursions in New York State that appeal to novices and to those with more seasoned palates.
