- Quickly load calendar availability for one-on-one coaching sessions

- Earn side income while helping others

Real Life School was founded upon the fundamental principle of real education—crafted by the people, for the people. This core ethos underscores the organization's dedication to cultivating an inclusive and collaborative learning environment where each participant contributes valuable insights and experiences. As a veteran-owned enterprise, Real Life School recognizes and honors the dedication and sacrifice of military veterans and is eager to provide them with opportunities to leverage their skills and experiences as mentors.

"We are excited to announce the launch of our new mentorship platform available to the public starting on April 1, 2024, and want to extend a special invitation to anyone who has a passion for teaching others to join us in our mission of empowerment," stated Tyler Pencek, Founder of Real Life School. "At Real Life School, we believe in the [transformative power of mentorship](#), and we are committed to providing mentors with the tools, resources, and support they need to coach."

Mentors at Real Life School play a pivotal role in guiding and supporting learners on their quest for success. Whether sharing professional expertise, life lessons, or pragmatic advice, mentors offer invaluable insights and guidance that enable mentees to navigate obstacles, surmount challenges, and unleash their full potential. Real Life School seeks mentors who approach coaching with empathy, authenticity, and a genuine desire to make a positive impact in the lives of others.

"As a [Real Estate mentor](#) at Real Life School, I am excited to be part of a community that values authenticity, empathy, and heart-centered coaching," affirmed Antonio Guerrero, an active mentor at Real Life School. "Through my experiences in Real Estate and beyond, I have learned the importance of coaching and am eager to share my knowledge and experiences with mentees."

Real Life School hosts monthly in-person and online seminars, fostering connections and facilitating continuous learning opportunities for participants.

Real Life School introduces monthly podcasting episodes featuring insightful discussions with mentors, emphasizing their collective commitment to fostering a vibrant community.

Real Life School is committed to equipping mentors with the requisite support, resources, and tools to excel in their roles. From comprehensive mentor training and ongoing professional development opportunities to unwavering support and networking initiatives, Real Life School endeavors to empower mentors to effect meaningful change in the lives of their mentees.

"We believe that mentorship is a reciprocal endeavor, and we are steadfast in our commitment to bolstering our mentors every step of the way," asserted Tyler Pencek, Founder of Real Life School. "Through our holistic mentorship program, mentors receive the guidance, resources, and backing necessary to thrive in their roles and catalyze positive transformation in the lives of their mentees."

Real Life School extends a warm invitation to mentors, particularly those who are experts in their field, to join its esteemed community. By assuming the mantle of a mentor at Real Life School, individuals have the opportunity to inspire, educate, and uplift others while contributing to a broader movement of positive change.
