\* ABOUT THE TRANSNATIONAL GOVERNMENT OF TAMIL EELAM (TGTE):

The Transnational Government of Tamil Eelam (TGTE) is a democratically elected Government of over a million strong Tamils (from the island of Sri Lanka) living in several countries around the world.

TGTE was formed after the mass killing of Tamils by the Sri Lankan Government in 2009.

TGTE thrice held internationally supervised elections among Tamils around the world to elect 132 Members of Parliament. It has two chambers of Parliament: The House of Representatives and the Senate and also a Cabinet.

TGTE is leading a campaign to realize the political aspirations of Tamils through peaceful, democratic, and diplomatic means and its Constitution mandates that it should realize its political objectives only through peaceful means. It's based on the principles of nationhood, homeland and self-determination.

TGTE seeks that the international community hold the perpetrators of war crimes, crimes against humanity, and genocide against the Tamil people to account. TGTE calls for a referendum to decide the political future of Tamils.

The Prime Minister of TGTE is Mr. Visuvanathan Rudrakumaran, a New York based lawyer.
