## 2. Why DearMob iPhone Manager Is a Nice Companion

DearMob iPhone Manager is a comprehensive iOS backup and transfer tool that allows users to transfer and manage 15+ file types via Wi-Fi or USB connection. It offers robust backup and restoration at fast speeds, 1:1 clone content to new iPhones and iPads, and many handy features.

**Spring Clean iPhone:** With DearMob, people can transfer large storage hogs to computers to free up space on iPhones for capturing new Easter moments.

**Facilitate iPhone Migration:** For anyone planning to purchase a new iPhone during Easter, DearMob is one of the best ways to transfer everything to the new iPhone. For users who only want to selectively transfer data, DearMob supports that as well.

**Share Easter Joy at Full Resolution:** Photos and videos can be exported at 1:1 quality, retaining their original resolution and clarity. DearMob's built-in photo tool makes it easy to create and share beautiful photo albums.

## 3. Highlighted Features of DearMob iPhone Manager

- **Photo Transfer:** Export and import photos by albums or year/month/date to stay organized, with max format support: PNG, JPEG, HEIC, GIFs, TIFF, ProRaw, and more. Users can view photos by type, such as screenshots, favorites, bursts, hidden albums, and other custom folders.
- **1-Click Backup and Restore:** Fully secure everything and make it easy to transfer from an old iPhone to a new iPhone.
- **Manage 15+ Types of Files:** Transfer videos, music, ringtones, contacts, digital books, PDFs, calendars, bookmarks, and more seamlessly, without iTunes restrictions.
- **Password-Protect Data:** Encrypt your backups and media files with military-grade algorithms for maximum security.
- **Other handy features:** Create custom ringtones, convert video to iOS-friendly format, print out messages, merge duplicated contacts, the option to compress large video upon importing, and more.

DearMob iPhone Manager V6.5 builds upon its already robust feature set with:

- External Drive Album in Photos: Users can now preview and transfer photos imported on iPhone/iPad from cameras, external drives, and flash cards.
- Voice Memo Export Tutorial: For iOS 15 and higher, users can use alternative ways to export voice memos, following detailed guidance from DearMob.

Don't miss out on the DearMob "Eggstraordinary" Easter Offer with huge savings and join the Easter Lucky Eggs sweepstakes for a chance to win additional discounts and software giveaways. This limited-time Easter offer will end on April 2, 2024.
