healthcare marketing solutions, is thrilled to announce a new strategic partnership with [JAW Dropping Designs](#), an acclaimed medical [website](#) design and management firm. This collaboration marks a significant milestone in the healthcare marketing industry by providing comprehensive website hosting, security, design, and optimization services at an unparalleled value.

Through this partnership, Medical Marketing Whiz is set to offer an extensive suite of website management solutions tailored specifically for the medical community. Doctors and healthcare professionals can now enjoy significant

savings, potentially thousands of dollars in marketing expenses annually, while benefiting from a state-of-the-art online presence.

“Our alliance with JAW Dropping Designs represents our commitment to continuously enhance the value we deliver to our clients,” said Lori Werner, Founder of Medical Marketing Whiz. “By combining our expertise in healthcare marketing with JAW's proficiency in website design and management, we are setting a new standard for what doctors can expect from their marketing partners.”

The partnership will empower Medical Marketing Whiz to seamlessly integrate essential elements into medical websites, such as e-book lead magnets, webinars, live social media feeds, patient education events, and podcast episodes. This holistic approach ensures that medical professionals can effectively engage with their audience, expand their reach, and enhance patient care through dynamic and interactive online platforms.

"We are excited to work alongside Medical Marketing Whiz and bring our specialized website design and management services to the forefront of the medical industry," said Jess Whiteaker, Founder of JAW Dropping Designs. "Together, we are dedicated to helping doctors and healthcare providers not only save on their marketing spend but also to create more impactful and patient-centric online experiences."
