SPOKANE, WA, UNITED STATES, March 25, 2024 /EINPresswire.com/ -- Plus Manufacturing, Inc., a leader in the development of soap-free cleaning products, proudly announces that its [Soap Free Procyon® Carpet & Upholstery Cleaner Concentrate](#) has attained the esteemed [Green Seal® Certification](#). This recognition underscores the product's compliance with the rigorous "GS-37 Edition 7.8 Cleaning Products for Industrial and Institutional Use" standards, marking a significant achievement in the company's mission to provide environmentally friendly and effective cleaning solutions.

"We are ecstatic to have our Carpet & Upholstery Cleaner Concentrate recognized with the Green Seal® certification," said Jonathan Pearlstein, Vice President of Plus Manufacturing. "This marks a pivotal moment in our journey to offer a safe cleaning solution that doesn't compromise on effectiveness or the environment. Our dedication to sustainable practices is reflected in this achievement, and we are honored to be a part of the Green Seal-certified family."

Originally granted certification by the Washington D.C.-based Green Seal Inc. in 2008, the Soap Free Procyon® Carpet & Upholstery Cleaner Concentrate is licensed to display the Green Seal® Certification Mark. This accreditation is a testament to the product's environmental safety and alignment with the highest standards for health and ecological responsibility.

"Receiving the Green Seal® certification for our Carpet & Upholstery Cleaner is a significant milestone for Plus Manufacturing," continued Pearlstein. "This recognition underscores our unwavering commitment to providing superior, environmentally safe cleaning products. Our
