

# Bending Grid presents: "Parallax" Sci-Fi Vocal-Synthwave Double Album

*20 tracks, 10 featured artists, 4 additional collaborators, and lyrical storytelling as a science fiction odyssey*

SUMMERVILLE, SC, UNITED STATES, March 26, 2024 /EINPresswire.com/ -- Bending Grid, an electronic music artist, is preparing to release his upcoming double album, "[Parallax](#)," on May 3rd, 2024. This ambitious project merges futuristic narratives with captivating melodies, offering listeners a diverse and immersive experience inspired by iconic 1980s sci-fi films and lesser-known B-movie cult classics.

"Parallax" features 20 tracks, each telling a unique story or exploring a topic within the framework of science fiction. The album blends retro-futuristic aesthetics with modern electronic sounds, creating a vibe that's simultaneously nostalgic and innovative.

Among the collaborators on "Parallax" are 10 featured artists who have contributed their talents:

Jolie: Featuring in five original tracks and one cover song.

Teya Flow: Featuring in one original song and one cover.

The Safety Word: Featuring in two original tracks.

Roxi Drive: Featuring in one cover.

Berzan Önen: Featuring in two original tracks.

By Forever: Featuring in one original song.

Lucy Dreams: Featuring in one original track.

Violet Fears: Featuring in one original track.

Kero: Featuring in one original song.  
Gulsah Brett: Featuring in two original songs.

Bending Grid collaborated with additional individuals to help bring "Parallax" to life:

Andrew O'Halloran: Co-writing lyrics for six songs.

Zefear: Serving as a mixing engineer for 2 songs and contributing a guitar solo in "Hypersleep".

Kaarin Zoe Lee: Providing dynamic narration on the original song "In Love With An Android".

Outshift: Mastering all 20 tracks.

"Parallax" spans the spectrum of human emotions and explores the boundaries of the synthwave genre.

Tyler Lyle, frontman of the band "[The Midnight](#)", praises one of the songs within the album, stating, "I think this sounds awesome. You guys have done a great job. Thank you so much for sharing and congratulations on a beautiful release."

"Parallax" is set to release on May 3rd, 2024, and will be available on various music platforms, including Spotify, Apple Music, and Bandcamp.
