

ZSuite Tech Teams Up with Bankwell Bank to Unveil Groundbreaking Commercial Banking Solutions on ZEscrow Platform

WESTWOOD, MA, UNITED STATES, March 26, 2024 /EINPresswire.com/ -- ZSuite Tech, a force in digital subaccounting and escrow, proudly announces its collaboration with Bankwell Bank to introduce new banking services on the ZEscrow platform. This strategic partnership marks a pivotal moment where cutting-edge technology meets unparalleled transparency and customer-centricity for complex commercial customers.

The integration of the ZEscrow platform into Bankwell Bank's services represents a paradigm shift in Bankwell's offerings. Through ZSuite Tech's advanced technology, Bankwell clients, including property managers, attorneys, 1031 Exchanges, insurance companies and notably skilled nursing facilities, gain access to a seamless banking experience characterized by real-time insights and enhanced control.

“

Our alliance with ZSuite Tech exemplifies our dedication to delivering innovative solutions that empower our clients and drive meaningful change.”

Ryan Hildebrand, EVP and Chief Innovation Officer, Bankwell

“At ZSuite Tech, we are committed to pushing the boundaries of innovation to meet the evolving needs of our clients. Our collaboration with Bankwell Bank underscores this commitment by delivering tailor-made banking solutions that empower our clients like never before,” said Nathan Baumeister, CEO and Co-founder at ZSuite Tech. “This integration epitomizes our vision of

leveraging technology to transform the banking landscape and enhance customer experiences.”

ZSuite Tech's collaboration with Bankwell Bank extends into the fintech marketplace, where subaccounting platforms offer an avenue for strategic partnerships with fintech companies providing consumer services. This initiative underscores ZSuite Tech's commitment to driving

innovation and digital transformation across industries.

"Our alliance with ZSuite Tech exemplifies our dedication to delivering innovative solutions that empower our clients and drive meaningful change," added Ryan Hildebrand, EVP and Chief Innovation Officer at Bankwell Bank. "Through our partnership, we are reshaping the future of our community, one transformative solution at a time."

Together, ZSuite Tech and Bankwell Bank are redefining the standards of excellence in banking, setting a new benchmark for customer-centricity and innovation.

About Bankwell Financial Group

Bankwell Financial Group (NASDAQ : BWFG), is the bank holding company for Bankwell, a community bank that provides banking and lending services to businesses and residents throughout Connecticut. With 9 branches located throughout Fairfield and New Haven counties, Bankwell combines a full array of services and financial expertise with local decision-making to support the needs of its customers.

Bankwell was founded on the principles of providing an exceptional banking experience and adding value to the communities it serves. Combining financial excellence with truly local banking values is how we help our customers to bank well.
