UNPLUG 2024
HR BUSINESS CONFERENCE

HR Expert LaShawn Davis hosts the 2024 UNPLUG HR Business Conference in Atlanta, Georgia with special guests Caroline A. Wang and Nekeya Nunn.

"We all have special talents to offer the world through the unique DNA of our innate greatness," says LaShawn. My brand, [The HR Plug, LLC](#), and this conference reignite HR professionals by providing them with tools and knowledge to make a long-lasting and positive impact on the relationships between employers and employees who work closely with them."

The UNPLUG HR Business Conference will kick off with the "I am Executive Presence" welcoming reception featuring guest speaker State Representative Park Cannon. The reception will motivate HR professionals to embrace their identity and resist conformity to status quo societal and professional appearance standards. Conference guests will gain invaluable career insight the

following day through a fireside chat with Essence Ventures President and CEO Caroline A. Wanga. Savage Spritualist Nekeya Nunn will highlight professional and personal milestones that have molded her brand identity as a highly sought-after HR entrepreneur and motivational speaker.

In addition to hosting the UNPLUG HR Business Conference, LaShawn is the founder and CEO of The HR Plug, LLC. This Atlanta-based human resources consulting firm collaborates with employers and employees to create synergistic workplace cultures where employers maximize employees' performance through unbiased treatment, equitable compensation, professional development and growth opportunities. Through her brand, she desires to lessen disparities among professionals of color, especially women and their counterparts, by detailing key ways they can achieve their desired greatness in the workplace.

About The UNPLUG HR Business Conference

The UNPLUG HR Business Conference delves deep into transformative solutions, realigning the HR value and equipping professionals with the tools, insights and perspectives they need to transition from culpability to capability. In a landscape where the challenges are multifaceted and ever-evolving, we present a dynamic, engaging and actionable-reinforced process for HR to not only adapt but thrive, ensuring that businesses everywhere can harness the full potential of their people.
