ABOUT

LeVaun (Von) Williams or most famously known as 'Vons WRLD' is a young, 17-year-old artist who is a rapper and does a little bit of singing! He's been making music for almost a year now (started in April 2023). He is hugely inspired by the late-great artist Juice WRLD. In most of his songs he gets really in touch with his feelings, about things that most teenagers go through and shows them all that they are not alone mentally in any trials & tribulations they may face in life. His main goal in life is to just make it so he can give back to his mother and father and to get better and better and perfect his craft as far as music goes!
