

New Kitchen Product Ends Grease-Draining Hassle for Good

EasyDrain is launching a Kickstarter campaign to fund the development of their grease draining colander.

CHARLOTTESVILLE, VA, USA, March 26, 2024 /EINPresswire.com/ -- EasyDrain, the new kitchen gadget that simplifies draining grease from ground beef, has launched a [Kickstarter](#) campaign to raise funds for development.

EasyDrain eliminates the messy process of tilting pans and soaking up fat with paper towels. This innovative tool sits conveniently on top of an empty can, transforming it into a grease disposal vessel. Simply place EasyDrain over the can and pour your ground beef directly into the device. Grease effortlessly drains through the EasyDrain's unique design, leaving behind lean, delicious ground beef ready for your favorite recipes.

"We all know the struggle of draining greasy ground beef," says Jason Keeley, founder of EasyDrain. "EasyDrain makes this chore a breeze, saving time and frustration in the kitchen."

EasyDrain boasts several key benefits:

1. Effortless Grease Separation: EasyDrain efficiently separates grease from ground beef, allowing for healthier meals.
2. Simple to Use: Place EasyDrain over a can, pour in ground beef, and let it work its magic.
3. Mess-Free Design: No more tilting pans or soaking up fat – EasyDrain keeps your kitchen clean.
4. Multipurpose Functionality: EasyDrain can be used to wash fruits and vegetables also.

EasyDrain is designed to be used by busy home cooks who value healthy eating and convenience. With EasyDrain, you can spend less time wrestling with grease and more time creating delicious meals for your family.

EasyDrain is available for pre-purchase now at Kickstarter.
