

Lightspeed Systems® Achieves SOC 2 Type 2 Compliance, Ensuring Data Security for the Education Sector

Independent Review Verifies Meeting Trust Services Principles and Criteria Outlined by AICPA SOC 2

AUSTIN, TEXAS, UNITED STATES, March 27, 2024 /EINPresswire.com/ -- Today, [Lightspeed Systems®](#), celebrating its twenty-fifth year as the global leader in providing digital safety, security, and equity solutions to K-12 education,

announced the successful completion of its SOC 2 Type 2 examination. This milestone highlights Lightspeed Systems' commitment to delivering secure, reliable, and compliant solutions for the education sector.

Conducted by [Oread Risk & Advisory, LLC](#), the SOC 2 Type 2 examination rigorously assessed Lightspeed Systems' controls related to data security, confidentiality, and availability. This examination provides assurance to Lightspeed Systems' customers that their data is handled with the utmost care and protection.

"Our completion of the SOC 2 Type 2 examination is a testament to our prioritization of data security and compliance, especially in the education sector," said [Carson McMillan](#), Chief Technology Officer at Lightspeed Systems. "Educational institutions can trust that our systems and processes meet the highest standards, ensuring the safety and confidentiality of their sensitive information."

Comprehensive Evaluation of Security, Confidentiality, and Availability

SOC 2 Type 2 audits verify internal controls, policies, and procedures conform to stringent security and operational standards that demonstrate the suitability of the design and operating effectiveness of its controls relevant to SOC 2 security, confidentiality, and availability criteria. A comprehensive SOC 2 evaluation demonstrates an organization's ability to not only implement essential security policies, but also prove compliance over an extended period.

"Lightspeed Systems understands the unique data security challenges faced by schools,"
