“We are thrilled to embark on this journey of transforming Matthew Kruspe’s new home. It’s more than renovations; it’s about paying tribute to his service, his sacrifice, and creating a space where he and his family can truly thrive,” says Nicole Oropesa, President of BrandStar Entertainment. “It is a true honor to be a part of his story.”

Kruspe's service came with significant sacrifices. He incurred several health challenges such as TBI, PTSD, depression, migraines, and neck, back, and shoulder injuries. These injuries ultimately led to his medical retirement, leaving a lasting impact on his physical and mental well-being. His journey alongside his wife of 20 years, Letoria Kruspe, and their teenage twins, Mia and Xzayer, residing in Lake Worth Beach, FL, highlights the strength of military families. It’s Military Makeover’s privilege to come together with the Lake Worth community to serve this family.

Military Makeover with Montel is honored to feature the Kruspe Family as the recipients of this season’s home makeover. Through the generous support of our partners, we aim to transform their living space and express our gratitude for their sacrifices and unwavering dedication to our country.
