WASHINGTON, D.C., UNITED STATES, March 28, 2024 /EINPresswire.com/ -- [Bearded Gentz®](#), a newly launched e-commerce company, is making waves in the male grooming industry with its premium-quality beard care essentials. With a new line of small beard care products now available on [its website](#), this Black woman-owned company aims to cater to men's facial hair needs, providing products that soften, hydrate, and condition their beards.

Bearded Gentz® offers a wide range of dermatologically tested and approved products specifically designed for beard care, including beard oil, growth oil, beard balm, foaming beard wash, mustache wax, and a beard protector. Each product is handcrafted using high-quality ingredients to ensure maximum effectiveness. The company aims to help men achieve healthy and well-groomed beards, regardless of skin type.

The founder of Bearded Gentz®, Erin Carter, was inspired to start this company after noticing a lack of representation and too many low-quality products in the male grooming industry.
