American Premium Vodka Salutes Veterans in Iowa

DES MOINES, IOWA, UNITED STATES, March 27, 2024

/EINPresswire.com/ -- In the ever-growing divide between Democrats and Republicans, there is one brand that is making great strides in bringing America back together. [American Premium Vodka](#) will launch its new brand in Iowa with hopes of closing the gap in society by paying tribute to US Military Veterans and helping us all remember, "How Great It Is To Be American!"

American Premium Vodka, a Gluten-Free, Iowa Corn-Based spirit has teamed up with the American Legion & VFW for a nationwide fundraising campaign to donate a portion from every bottle sold to support Veteran Charities. APV President Mark Gus Scott exclaims, "I find it criminal that not one brand in the vodka market celebrates the greatness of America. As a Proud Son of the American Legion Pat Tillman Post #117, I could not stand by and allow a destructive element within our society to divide our country any longer!" Scott, who gained worldwide notoriety as a member of the #1 MTV rock group TRIXTER, speaks passionately about his alliance and hope for unity in the US. "The People of our country possess true American Spirit, as do the members of the VFW, American Legion and the people of Iowa. I urge all Americans to join me in celebration this month to wish a very Happy Birthday to the American Legion with the launch of American Premium Vodka in the Great State of Iowa!"
