"We are constantly innovating and expanding our product line to meet the needs of our customers," said Mr. Bergman. "We are excited to see what the future holds for Butler Specialty Company as we continue to provide our customers with the best possible furniture shopping experience."

Despite the rapid pace of change in the furniture industry, Butler Specialty maintains its edge by ensuring that each piece it offers is "the brightest spot in your room." This is achieved through a relentless focus on quality materials, distinctive design, and the timeless appeal of its products.

"Our assortment has always stayed true to who we are," Mr. Bergman added. "Using high-quality materials and creating key items that not only stand out but are also on top of trends. This approach has been instrumental in our long-standing success and will continue to guide us into the future."
