These accommodations prioritize comfort and convenience, providing amenities such as high-speed internet, housekeeping services, and on-site facilities like fitness centers or business centers. In contrast, "Short Term Housing" might be suitable for anyone such as nurses or students coming to Palo Alto, conveniently located next to Stanford University. Temporary housing in Palo Alto encompasses a broader spectrum of accommodations suitable for short to medium-term stays, ranging from a few days to several months. Finally, "serviced" or "furnished

apartments" zeroes in on those who are looking for fully furnished apartments, and might be staying as long as six months or longer.
